With more than 100 categories to enter including all major liquor classifications, novelties, mixers, CBD infused spirits and waters, energy drinks, frozen concoctions and canned cocktails – if you don't see your category, call us!

All winners will receive a coveted PR%F Award medal, a press release template, massive social media posts including PR%F Award framed graphics announcing that you entered, and winners, ability to use the PR%F Award logo and materials (no added licensing fees to use our graphics), and inclusion in *Food and Beverage Magazine* – now reaching more than 12 million readers monthly.
